

Caleb Kunkel

Finish Carpenter / Practical Builder

Just outside South Nanaimo / Nanaimo area, BC
250-258-5174
Calunk@proton.me

20+ years of broad building experience, centered on finish carpentry/custom millwork, with substantial roofing, painting, drywall, renovations, and general construction. Broad understanding of building practices. Recent independent work in website development, backend systems administration, automation, and practical software products, alongside farm, property, and custom building projects.

Looking for project work, overflow, part-time, or the right ongoing role around Nanaimo.

What I bring

- Some personal tools and reliable transportation
- Finish carpentry and millwork
- Roofing, painting, and drywall
- Web development, Linux server administration, and automation
- Practical troubleshooting across physical and technical systems

Work history
